

AUTHOR'S COMMENT

Heat and Motion

The first part of *Heat and Motion*, *Smokin' Hot*, was published in 2021 as one of the twelve elements of *Desire is My Destiny*. Here, that original essay is expanded into a tetralogy, using the four themes illustrated below as four different faces of or features of being woman.

Smokin' Hot
her outward appearance

Simmerin' Warm
her inner senses

Power of Heat
her natural power over men

License Into Jill
her experience of life under the perceptions of men (an imaginary story of reversal)

The author's intention is to highlight several perspectives and then combine them in a way that gives the reader room for the reader's own creative conclusions. Please take the ideas and run with them to wherever you can take them.

The only conclusion intended by the author is the one found in the epilogue — we aren't getting there, we have not done enough.
